

Organisation Chart

Leadership, the national service platform and the Zone teams for the Contract, with each key role's allocation to it.

Each Zone team: the Zone Manager, field technicians, a customer coordinator, an independent quality inspector and a field health and safety officer, shared between adjacent Zones.

Trade network: *Alliance* members dispatched through *Express*, licensed trades, prequalified specialist subcontractors and the *Alliance* Affiliated tier. Participating FD stores provide scoping and project management capacity in Zones 1, 4 and 5.

Each Zone Manager reports to the Contract Manager for the Contract, and to the General Manager North Island (Vince Gregan) or South Island (Kelly Spratt) for the business.
