

AN INTRODUCTION FOR AA INSURANCE · JUNE 2026

+

A Strategic Partnership. Nationwide. Together.

Premium reinstatement and trade services meet New Zealand's most trusted flooring experts - delivering their core services together, everywhere.

Two specialists. One seamless, nationwide service.

Duncan & Taylor and Flooring Design are joining forces to deliver their respective core services together - in every region of New Zealand.

PREMIUM REINSTATEMENT & TRADE SERVICES

-  The **Alliance Model** - a nationwide network of vetted, profit-share trade crews
-  Trusted by major insurers, corporates and government
-  Radical transparency - open-book, nothing-to-hide pricing

NZ'S MOST TRUSTED FLOORING EXPERTS

-  A nationwide network of local stores and showrooms
-  Carpet, timber, vinyl, laminate and hybrid - residential and commercial
-  A trusted in-home measure, scope and quote service

Together: end-to-end reinstatement and flooring, delivered as **one job, by one team, nationwide.**

The synergy.

Flooring Design brings

Physical offices, nationwide

D+T operates out of FD stores and showrooms in every region.

Scoping & site visits

Measures, scopes and site assessments handled on D+T's behalf.

Local, trusted faces

An established, respected retail brand in every community.

**One job,
one team**

Duncan & Taylor brings

Alliance Model trades

Vetted, revenue-share work crews across every trade discipline.

In-house Regional & Project Managers

Every job owned and managed end-to-end by D+T's own people.

Air Traffic Control dispatch

24/7 triage, prioritisation and dispatch of the right crew, fast.

Every step is coordinated in **Eden**, priced by **Domino**, and visible to the customer in real time.

Nationwide capability for AA – **from day one.**

A local face on every claim

FD's nationwide stores put trusted local people in front of AA customers for scoping and site visits - faster first contact, shorter claim lifecycles.

A deeper Alliance network

FD's installer and supplier relationships become new Alliance members - vetted and managed under the same D+T model AA already knows. Immediate extra capacity, no drop in standards.

Flooring claims, end to end

Measure, scope, supply and install through one accountable partner - with FD's full retail product range behind every reinstatement.

Same open-book pricing, same Eden visibility AA has today - now with nationwide reach behind it.

A true nationwide footprint – here, there, and everywhere.

A physical presence in every region

A staffed local base inside each FD store - physical presence in every region.

The Alliance Model, pushed further

More regions means more vetted crews, more capacity, and a new dedicated flooring specialist inside the Alliance.

Faster response, everywhere

Local scoping, local tradespeople, turbocharged by the Alliance model and Duncan & Taylor's expertise and systems for every single job.

55+

YEARS OF EXCELLENCE

80+

ALLIANCE WORK CREWS

1

NATIONWIDE NETWORK

Heavy investment in technology makes this possible.

Eden

JOB MANAGEMENT PORTAL

The single source of truth for every job - live progress, files, financials and chat for every stakeholder.

Domino

AI-POWERED QUOTING

Standardised quotes from a pre-vetted pricebook - pricing ambiguity removed entirely.

Apollo

H&S + WBS GENERATOR

Health & safety plans and work breakdown structures, generated automatically for every job.

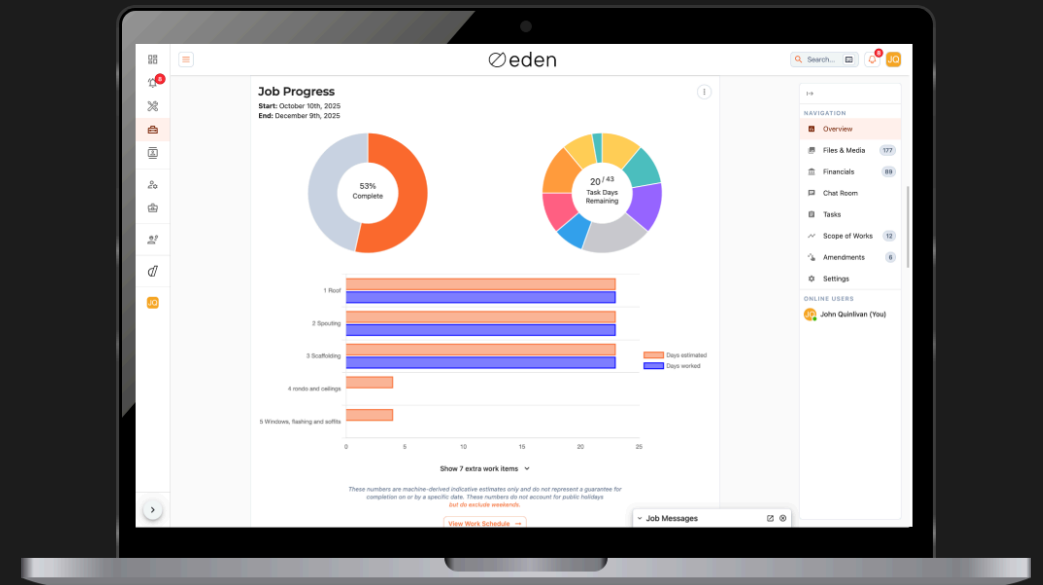

Pluto

COST CONTROL & FINANCIALS

Real-time budget oversight and financial control across the whole portfolio.

Every system can be accessed, monitored, audited and controlled by corporate customers and counterparties.

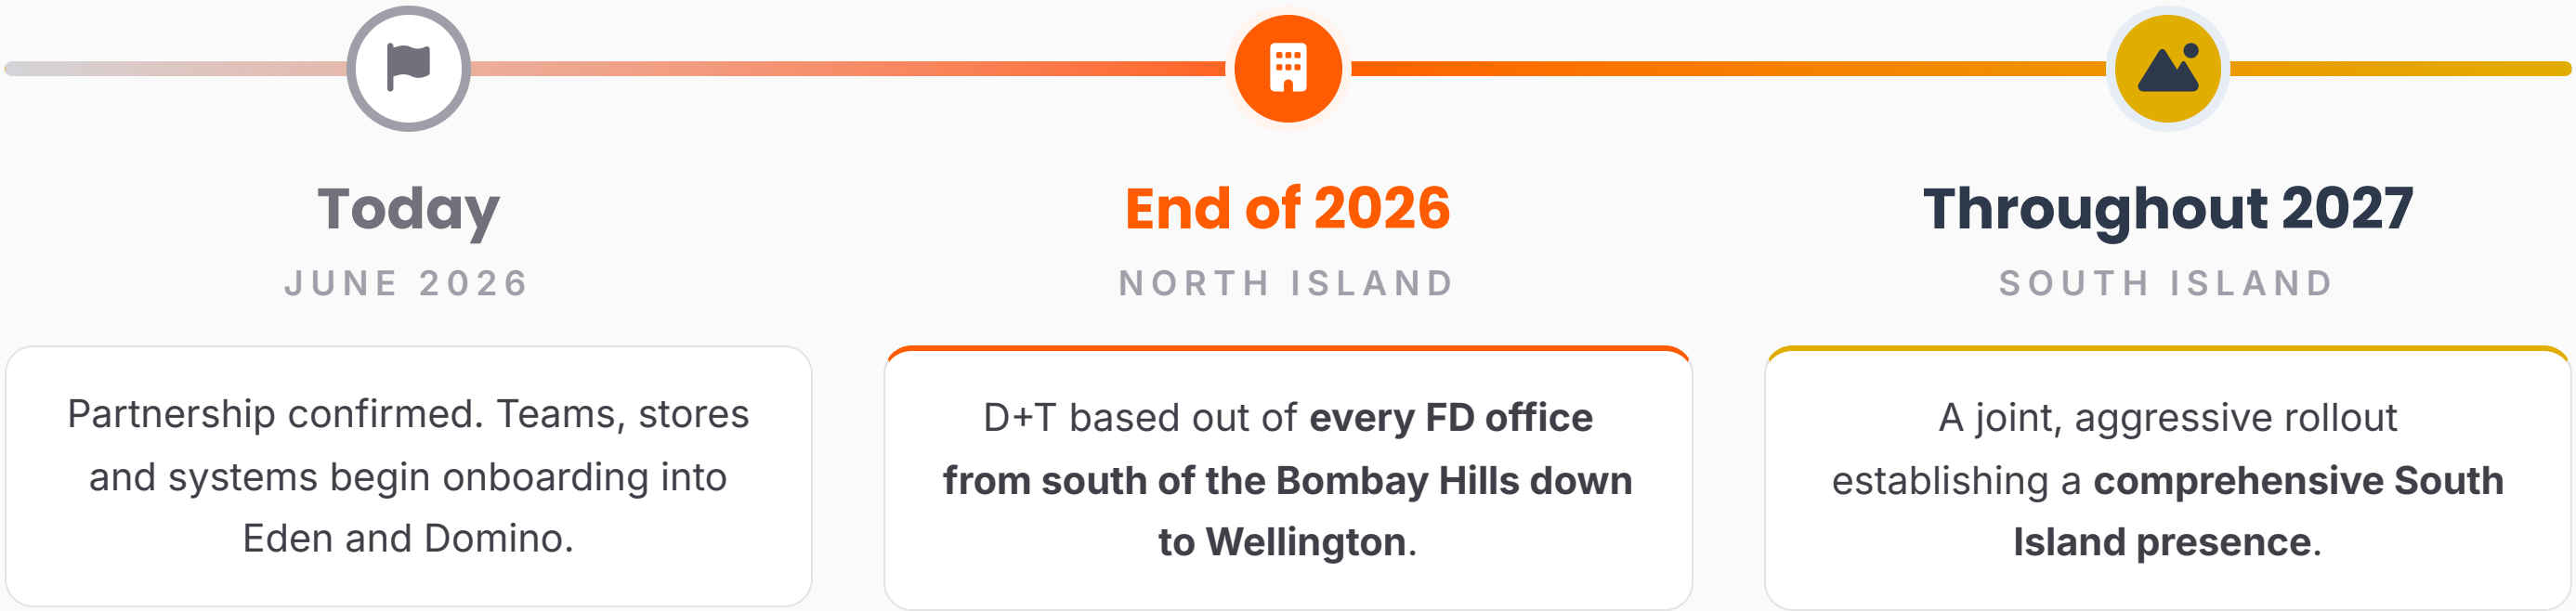

SAM Consulting

Builds, delivers and supports the tech stack across the Alliance.

Garth Projects

Independent project management, auditing and loss adjustment oversight.

Where, and when.

By the end of 2027: **one combined network, covering the country** - every store a D+T base, every region served.

Better. Together.

Flooring Design wins

New customer types and new income streams, in every store.

Duncan & Taylor wins

A true nationwide presence, with the smarts and expertise to deliver every time.

AA Insurance wins

Faster scopes, deeper - local - trade capacity and one accountable partner - across the whole country.

The rollout starts now - the North Island by the end of 2026, the South Island throughout 2027. **Let's build it, together - for AA customers everywhere.**
